Applicant's Certification:

As the owner or the authorized agent of the project for which this application is filed, I certify that:

1. The description of use, estimated construction cost and all other information provided as part of this application for a building permit is correct.
2. The building or structure described in this application will not be occupied until all known code violations are corrected and a Certificate of Occupancy has been received from the Code Official.
3. This project will be constructed in accordance with the approved drawings and specifications (including any required non-design changes) and the Uniform Construction Code standards as specified in 34 PA Code Chapters 401-405.
4. Any changes to the approved documents will be filed with the Laurel Municipal Inspection Agency.
5. If the licensed architect or engineer in responsible charge of this construction should change, written notice of the change will be provided to the Laurel Municipal Inspection Agency.
6. No error or omission in either the drawings and specifications or application, whether approved or not, shall permit or relieve me from constructing the work in any manner other than provided for in 34 PA Code Chapters 401-405.
7. If signed by someone other than the construction owner, this work has been authorized by the owner of record and I have been authorized by the owner of record to complete this application on his behalf. I will be acting on behalf of the owner as;
